RAGAM 2020
Surpassing the 30 year milestone and still moving forward, Ragam is just around the corner with a variety of events. Part of the rich history of the college when it was a Regional Engineering College, and now as a National Institute of Technology, Ragam is hailed as one of the largest cultural fests in South India. Born out as a music event in the memory of late Rajan, Ragam has grown into a cultural extravaganza. Proven to be an emotion rather than just a fest through the ages, we hope to live up to the legacy that our alumni have left us with.

While the days of Ragam are described to be lively and colourful, the nights consistently turn out to be much more vibrant and dynamic. The crowd erupts and the cement resonates with the chants of thousands, as bearers of great names take the stage and channel the energy out of the roof. The likes of Vishal Dadlani, Shekhar Ravjiani, Sunidhi Chauhan, Farhan Akhtar and Amit Trivedi have come and made their mark at our Pro-Nites.
